

## House Resolution No.

**Whereas**, the members of the Missouri House of Representatives feel it is altogether fitting and proper to pause in the course of their daily activities to recognize milestone events in the lives of the state's young people who admirably demonstrate their potential as lifelong learners and future citizens through the excellence of their achievements as students; and

**Whereas**, the daughter of Ann Sachar, Lucy Cohen, of St. Louis, Missouri, a third-grade student at Meramec Elementary School, recently distinguished herself when the poster she designed took Second Place in the Missouri Recycling Association poster contest in third-grade category; and

**Whereas**, Lucy Cohen and her poster will publically recognized on Thursday, January 28, 2008, as part of the Missouri Recycling Association's fifth annual celebration of Recycling Awareness Day in the State Capitol; and

**Whereas**, Lucy Cohen is one of more than 4,500 Missouri students who studied recycling in class and then submitted entries to the 2007 Missouri Recycles Day poster contest sponsored by the Missouri Recycling Association; and

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join to applaud Lucy Cohen on this illustrious occasion, with our best wishes for a successful and happy future; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for presentation to Lucy Cohen.
